Parents Teachers Association AGM

There was an AGM of Parents Teachers' Association on 8th September, 2012 on our school premises. The presence of our valued guardians and parents on AGM was really praiseworthy and they deserve vote of thanks from us. The program was even beneficial because Dr. Raju Adhikari, a Guru of Yoga Science delivered a fruitful and marked speech on Parental Role on shaping students. And it really became an important and talked program. We assure you that we will again organize those kinds of talk programs in the days ahead.

KUHS Alumni Association

We are very much pleased to inform you that KUHS Alumni Association has been formed by the general students meeting held on 23rd Bhadra, 2069. An ad hoc committee has been formed which will draft the constitution of Association and will organize next general meeting as soon as possible. We hope that the Association will join hands with school in the various activities in the days ahead.
