Club report on Afforestation campaign

Afforestation program held on 21st July 2010 organized a perfect initiation of successful program. Around 300 saplings were planted by the students as well as teachers around Dhulikhel. Again, 50 saplings with their tags were planted inside school premises. Along with the students teachers of different department also planted the sapling inside the school. However, according to the survey we have come to know that some saplings are missing even after the plantation campaign. The list of the roll numbers of students whose plants were missing are:

- | | |
|-------|-------|
| 1) 10 | 5) 23 |
| 2) 11 | 6) 34 |
| 3) 16 | 7) 42 |
| 4) 22 | 8) 44 |

Consequently, this problem came up to the meeting which has been decided to replace it soon.

Our club is now planning to conduct medicine distribution program in one of the rural areas of Kavre district. The members of Palanchowk will be now focusing on site seeing and sponsorship for the specified program. For this program, we are planning to organize a “walkathon” by inviting students from different colleges in three municipalities of Kavre.

It is notified that rafting program has been postponed till further notice due to the rainy season for the safety of the student.

SOCIAL QUALITY CIRCLE (CLUB) (SQC)

Hand In Hand

SQC is successful to keep bright image among four clubs in KUHS. Within short duration we have heavy difference in club activities than others. We have been working under the supervision of different four teachers in KUHS. We have right to conduct social, sports and internal activities.

OUR PAST:

From the first meeting itself we have been bringing something new for students in A Level. Till now we have proved that we are the nonprofit motive club. As per the meeting of 18th may we have been publishing WALL MAGZINE weekly? We have published 12 volumes till now. We hope this activity will increase creativity of students.

The same day meeting passed to conduct FRESHERS WELCOME PROGRAM on our leadership as per the direction of Coordinator Mr. R.K.Nirola, and hence we organized a welcome party for 200th batch on 4th June, 2010. On 10th may SQC organized welcome meeting for newly appointed members, we have 13 students from As Level in this club. These activities are the process of socializing students and meeting ceremony.

As per the academic calendar A Levels had TURN COAT DEBATE competition. As per coordinator direction SQC assisted to make it a grand success. Professor Kasinath Pandey (KU) thanked president for organizing event and wished for other programs in the days to come, in a personal meet. On 30th June SQC organized BLOOD DONATION PROGRAM in KU premises. A good number of donors in the program provided new spirit to the club. Although we didn't have any sponsors but also we completed our program successfully. We thank School for the support.

SQC celebrated BHANU SAPTAHA from 13 -20 July. We had Nepali Poem recitation program on 19th June. Mrs. Anjana Gajurel was invited as guest. Different 12 students recited 15 poems at the program. As per the club charter we have to complete SOCIAL ACTIVITIES and taking the responsibility we have appointed 125 Pradeep and 131 Raju are appointed to volunteer in Kathmandu after completion of A Levels. SQC has organized different FRIENDSHIP MATCHES for physical and mental development of students.

AT PRESENT

SQC is helping Youth Society for Peace and Religion for Peace for their project to collect signature of 50000 youth. YSP and RFP are lunching ARMS DOWN CAMPAIGN in Nepal. This project is lunched in Japan and Thailand. This project is not only for the shared security, but also to pressurize government to decrease armed expenses by 10%.

Within the school SQC is pressurizing school to provide SPORTS TRAINING for school sports team. Now we are organizing Football training for A Level students.

FUTURE PLANS:

SQC is planning to have EDUCATIONAL MATERIALS distribution program for needy children. We have got sponsorship of Nrs.12500/- for this and we are looking for more. SQC thanks Harry collection for uniform, Lekali trading concern and Dr. Bimal Lal Shrestha for help.

Discussion for the Development is next program that we are planning to have. This is a project where SQC will organize different activities such as debate, speech and other events. We would call some socially established personalities and hear from them.

We have planned to Organize BLOOD DONATION PROGRAM in collaboration with Red Cross and other Local Clubs in Dhulikhel after two months.

We could have lunched different programs but we are blocked by economic source. Our expectation was high but could not achieve it. SQC is looking forward for more sponsors. SQC welcomes you all at kuhs.sqc@gmail.com . SQC look for your positive support

Info Science Club

KUHS Info-Science, “One Step Ahead”, organized the first programme in June 7th. It was an anti-drug programme and was organized in collaboration with NARCONON, Nepal in KU Auditorium. Five of the members from NARCONON, Nepal attended the programme and gave effective speeches. Students from class 9 and above from KUHS and the class tenners of SOSHGS also attended it.

The second programme was “Windows 7” distribution. Microsoft Unlimited Nepal had a scheme to distribute “Windows 7” to the students of Nepal. The CD’s were distributed to the A-Level students of KUHS via Info Science club.

Microsoft unlimited Nepal has recently signed for the sponsorship of \$3500. It is for the MTA exams for 50 students of KUHS A-Levels. For this, two days training programme will be held within the KUHS premises.

KUHS Info Science also has the further programme of organizing a talk day programme in A Level Conference week. The brilliant A level scholars from the valley have been invited for the programme.

Visit to Nagarkot

On the morning of Saturday, July 14, 2010 A-levels hostellers of KUHS in two buses had set off to Nagarkot, a place located at a hill which is north to Kathmandu. The road journey was pretty exciting as the road was quiet narrow, winding and full of beautiful scenery of the valley and hills. On our way we saw a commando training base, NEA training centre, army camp, the ancient city of Bhaktapur, Ministry of geological studies and loads of green trees.

We reached there around noon, got off our respective buses and commenced our tour. We first visited the view tower of Nagarkot. Although, we were not able to see the valley, hills and mountains properly from the tower, but it was still a pleasant experience. Then everyone in small groups went exploring the hills. The hills were densely covered in fog so guys spread rumors of the Nagarkot witch and tried to scare everyone around. After a while everyone assembled around the buses and had snacks. We sat down on the ground and ate watching the valley resting peacefully below us. Then, we left for our hostels with the memories of this beautiful place Nagarkot.

I would recommend everyone to visit this place as it is really astounding. It is one of the major tourist attractions in the Kathmandu valley. You should go visit this place once and if you have been there I am sure you want to visit it again!

Social Programmes

To enhance the better understanding among the students of KUHS, we have successfully organized the Boys Social and Girls Social Program of KUHS A Level for the year 2010. The gifts are exchanged between the boys and girls of a level. The boy's social program took place on 21st July evening chaired by COH Mr.P.Gajurel. All the teachers, students including principal attended the program for boys social. The boys had made a beautiful gate and had decorated the hall well. They also presented cultural programmes.

The girl's social programme took place on 13th August chaired by the COH Poonam Libi. It was a very entertaining Programme where the Director Mr.Ian Raitt was present during the occasion. The girls students worked hard to make it a big success overall.

Pastoral Results:-

The pastoral result for the first round was bagged by Girls hostel of A Level while the second round was bagged by Boys hostel. The results are based on Assembly conduct, room tidiness, publications, hostel environment and team work. The winning hostel was awarded with running trophy.
