Kathmandu University High School

A Level Programme: Information for applicants

KUHS is offering a Science based A level course for SLC Passed students. The A levels from Cambridge International Examinations form, a rigorous pre-university course studied over two years. The examinations are offered twice yearly in May and November, and are taken by students all over the world. Thus the students joining KUHS in 2012, will take the A level examinations in the May session in 2014.

Subjects Offered: Mathematics, Physics, Chemistry, Biology, Computing, General Paper and English Language AS Level. All students take Mathematics and General Paper, or English Language AS Level. Students study five subjects. There are therefore two options available:

There is a formal Tuesday assembly in school and Thursday Hostel Assembly

The senior students in KUHS [Class 11(A1) and Class 12(A2)] are looked upon as the leaders in the school, and are expected to take part in school activities, sport and social service. The 16-18 year old student is not just a person who studies all day long, but must also be tested in various ways outside the classroom. During these important two years, the student should develop more confidence, self-reliance and independence, and be able to function well as part of a group, as well as enhancing language and communication skills. Students also develop leadership skills by joining the student clubs occupying various official posts.
